Where international, state, and/or county boundaries coincide, the map shows the boundary symbol for only the highest-ranking of these boundaries.

1. A '*' following a place name indicates that the place is coextensive with a MCD. A '*' following an incorporated place name indicates that place is also a false MCD; the false MCD name is not shown.

2. A '*' following a block number indicates that the block number is repeated elsewhere in the block.

All legal boundaries and names are as of January 1, 2000. The boundaries shown on this map are for Census Bureau statistical data collection and tabulation purposes only; their depiction and designation for statistical purposes does not constitute a determination of jurisdictional authority or rights of ownership or entitlement.
